## CHANGES TO THE Specially Designated Nationals and Blocked Persons List

### SINCE JANUARY 1, 2020

This publication of Treasury's Office of Foreign Assets Control ("OFAC") is designed as a reference tool providing actual notice of actions by OFAC with respect to Specially Designated Nationals and other entities whose property is blocked, to assist the public in complying with the various sanctions programs administered by OFAC. The latest changes may appear here prior to their publication in the Federal Register, and it is intended that users rely on changes indicated in this document that post-date the most recent Federal Register publication with respect to a particular sanctions program in the appendices to chapter V of Title 31, Code of Federal Regulations. Such changes reflect official actions of OFAC, and will be reflected as soon as practicable in the Federal Register under the index heading "Foreign Assets Control." New Federal Register notices with regard to Specially Designated Nationals or blocked entities may be published at any time. Users are advised to check the Federal Register and this electronic publication routinely for additional names or other changes to the listings. Entities and individuals on the list are occasionally licensed by OFAC to transact business with U.S. persons in anticipation of removal from the list or because of foreign policy considerations in unique circumstances. Licensing in anticipation of official Federal Register publication of a notice of removal based on the unblocking of an entity's or individual's property is reflected in this publication by removal from the list. Current information on licenses issued with regard to Specially Designated Nationals and other blocked persons may be obtained or verified by calling OFAC Licensing at 202/622-2480. The following changes have occurred with respect to the Office of Foreign Assets Control Listing of Specially Designated Nationals and Blocked Persons since January 1, 2020:
